DVD Slide Show **\$125.00**

DVD slide show of 100-150 wedding images with bride and groom's name, wedding date, custom text if desired, DVD menu, transitions, music of your choice, case and custom printed label. We choose the best pictures for the slide show and you supply the music you would like to accompany it and text if desired. Music can be supplied to us on CD or in MP3 format. In most cases if there is a song you would like and you do not have it we can supply the song for a \$2 charge per song. Number of songs used depends upon length of songs. Generally we will use 2 songs unless they are short then we will need 3. These make great gifts for family and friends - additional copies of your DVD (with case & custom label) are available for \$20 each.

Memory Videos **\$125.00 (SPECIAL Price – the below package is usually \$265.00)***

This is a photo slide show of bride and groom growing up and meeting. Great gift for the couple, parents, grandparents, & friends. Can be played at the reception as well. This package includes up to 100 photos, scanning of all images (from prints – digital can be submitted as well), custom text, DVD menu, music of your choice, custom label and case. Music can be submitted on CD or in MP3 format (can be e-mailed to us as well). In most cases if there is a song you would like and you do not have it we can supply the song for a \$2 charge per song. Generally these videos will use 2 songs (depending upon length). Additional copies of the DVD (including custom label and case) are available for \$15 each (Reg. \$20).

*Sale price is valid through January 31, 2008

Media Projector and DVD Player Rental **\$100.00**

If you have ordered a Memory Video of the Bride and Groom growing up and meeting and would like it played at the reception we have a media projector and DVD player available to rent. You must supply your own screen or surface to project on. Any light colored plain surface generally works including walls. Please let the photographer know if you have a small table or cart available to set the equipment up on or if they must supply their own.

Custom Hard Cover Book **\$125.00**

Hardcover 20 page book custom printed with the bride and groom's names & wedding date and 50-70 of your best wedding pictures. We choose your best wedding pictures and lay them out in a custom 20 page book, which makes a great way to show family and friends your wedding memories. Perfect for your coffee table!

We have add-ons available as well:

Gold or silver foil stamping on cover with the Bride and Groom's name and Wedding Date- \$10

Additional pages - \$10 each (each page adds 3-6 pictures depending upon layout)

Upgrade to Linen Press paper - \$20 (for the whole book regardless of number of pages)

Additional copies available for \$75 each (plus add-ons if applicable)

DVD of High Resolution Images **\$350.00**

DVD of your wedding pictures in High Resolution format complete with a letter authorizing you to print unlimited copies of the pictures from the DVD for yourself and family and friends. Pictures on the DVD will be broken down into files of pre-wedding pictures, ceremony pictures, reception pictures, and will also include a file containing a selection of 100+ of the best pictures. All pictures will be rotated the same direction for ease of viewing. Your purchase of this DVD also includes your choice of 20 internet ready images (low resolution 72dpi, with copyright notice) for use on your own personal webpage, myspace, facebook, etc. If you select the images you desire to have for internet ready images before the creating of the DVD they will be included on the DVD. If you select them after the DVD has been created, they will be e-mailed to you. Additional copies of the DVD of images are available for \$50 each (unless you have purchased package VI in which case they are \$25).

Internet Ready Images **\$5.00 each**

Internet ready images (low resolution 72 dpi, with copyright notice) for use on a personal webpage, myspace, facebook, etc. are available for \$5 each. If you have purchased the High Resolution Images DVD and are adding additional Internet ready images they can be burned to your DVD if it has not yet been created. Otherwise if your DVD has been created or you are ordering Internet Ready images and have not purchased a DVD the images will be e-mailed to you. Internet Ready Images may be purchased even if you have not purchased a DVD. Note: Internet ready images may not be printed from – if you wish to print an image you must purchase the above DVD. These images are for display purposes only!

Special – 2 for one deal on all internet ready image purchases of 6 images or more (ex. Purchase 6 images and receive 6 more for free) – offer expires 2 months after your wedding date
